**\*We now have a formula for 3 different quantities for the Super Satin paint type (good quality, said to last 25 years). These match the Clubhouse and will be the new standard salmon color going forward from March 9, 2009.**

**If you want to use the flat paint (said to last 7 years) you must ask the Sherwin-Williams representative to convert the appropriate (quantity) formula for you.**

**Please see scanned receipts on the next page for quart, gallon and 5-gallon salmon exterior formulas.**
